Pictures of the Discussion

Panel Discussion on the Advancement and Application in Concrete and Construction industry was organized on the concrete day. The aim of this Discussion was to brief all the students of 1st, 2nd, 3rd & 4th year with the wide application of the concrete in the day-to-day life and advancement made in the concrete technology. This panel discussion gives the idea of the concrete industry in the market. Here are some potential areas of interest:

- Job opportunity
- Demand of the industry
- Advancement in the concrete industry
- Uses of the code in the construction
