## NOTICE

### (22<sup>nd</sup> Mega Blood Donation Camp)

“Every Blood Donor is a Life Saver.”

We, as human beings, recognize and embrace our responsibilities towards society. Blood donation is undoubtedly one such form of contribution to humanity. There is a perpetual shortage of blood in blood banks all over the country. Your participation in this noble cause can save lives, as each unit of blood donated has the potential to save up to three people in need. Donating blood not only benefits the recipients but also promotes the health and well-being of the donors. SKIT has always shown its commitment for the service of humanity and environment. Blood Donation Camps, Medical Camps, and many other social activities are being organized by our institute on a regular basis. In continuation to these noble activities and as a contribution towards needy blood seekers, SKIT Red Cross Club and SKIT NSS Club are jointly organizing 22nd Mega Blood Donation Camp on Tuesday, October 01, 2024.

We encourage everyone to participate and be a part of this vital initiative.

Please register yourselves for donating the blood on the link given below:
