# THE INSTITUTE

Swami Keshvanand Institute of Technology, Management & Gramothan (SKIT) stands as a testament to the vision of its founders, who were driven by the noble goal of rural education upliftment. Established in 2000, SKIT was born out of the Technocrats and Managers Society of Advanced Learning & Gramothan, with a mission deeply rooted in Swami Keshvanand's teachings. The institute's commitment to rural education is evident not only through its academic endeavors but also through practical initiatives like the establishment of MRM Public School in Nirwana village back in 1992. This holistic approach aims not only to educate but also to empower rural communities, recognizing the transformative power of education on future generations.

By incorporating "Gramothan" into its name, SKIT reaffirms its dedication to Swami Keshvanand's vision, seeking to leverage engineering education as a catalyst for rural development and innovation. Over the years, SKIT has emerged as a beacon of academic excellence in Northern India, offering a range of undergraduate and postgraduate programs in engineering, management, and pharmacy. Located in Jaipur, the Pink City known for its rich history and modern vibrancy, SKIT enjoys a picturesque setting amidst lush greenery and architectural beauty. The institute's dynamic learning environment, fueled by the enthusiasm of its students, fosters a culture of inquiry and innovation. As SKIT celebrates its 25th anniversary, it can take pride in its numerous achievements, including NAAC A++ accreditation, NBA accreditation, and a consistent presence at the top of the RTU list. These milestones serve as a testament to SKIT's unwavering commitment to academic excellence and industry relevance, as it continues to shape the future of engineering and management education in India.

## MESSAGE FROM THE CHAIRMAN

"Patience, Persistence and Perspiration make an unbeatable combination for success." - Napoleon Hill.

The aim of SKIT is to achieve global leadership in human development & excellence in education. With a vision to train and transform young professionals into responsible citizens engaging themselves for the betterment of the society, SKIT has come a long way from being an ordinary engineering college to being the No.1 engineering college in Rajasthan. We believe in lifelong learning & training. Our objective is to impart professional education by nurturing innovative thinking and imparting professional ethics and consciousness in an integrated manner. Being an integral part of the dynamic research community, SKIT focuses on designing engineering and management programs that instill leadership and teamwork, and carries a global appeal. The undergraduate, postgraduate and Ph.D. programs are regularly revised to comply with global technical developments and market demands. A good educational institution strives continuously for sustenance and enhancement of quality in every field of its activity. SKIT fraternity works diligently to realize its mission of providing the best learning, teaching and research opportunities to students and academicians alike. SKIT has been able to create a niche of its own and become the most preferred institute in the north western region of the country. It stands as a humble spectacle where tradition meets vogue, aspiration meets inspiration and regional excellence defines global benchmarks. I wish a very bright future for the faculty and students of SKIT.

Jaipal Meel

## MESSAGE FROM THE DIRECTOR

SKIT has made a remarkable progress since its inception. As you are aware it has already established itself as no. 1 technological institute in Rajasthan & also stands amidst the top ranking institutes of the country. The institution is known for its quality and excellence. It possesses a state of art infrastructure with equipped laboratories, well stocked library and highly qualified faculty. In addition to developing excellent scientific and engineering skills, it endeavors to inculcate in its students ethical values in order to make them socially responsible citizens. SKIT has expanded its outreach to industry and the best academic institutions in the country by entering into active collaborations with them. Research collaboration is not an additional feather in our cap but an integral part of our growth strategy. We have made a mark for ourselves but there is a long way to go. I am sure, with the active cooperation of all our stakeholders, students, faculty, staff, employees, collaborators, parents of the students, governmental organizations, media and public at large, we will be able to fulfill the motto of SKIT. I wish a very bright future for the faculty and students of SKIT.

Dr. S. L. Surana

## MESSAGE FROM DIRECTOR (ACADEMICS)

With the advancements happening across the globe, it has become imperative that stress should be laid on the implementation of post-theoretical learning. SKIT, in this regard, is an institution which spares no effort in harnessing the best facet of a student persona. We lay a strong emphasis on developing problem-solving skills and making fundamentals clear which can help in building a solid foundation for the students during their years of stay in college and will also be instrumental not only in providing job opportunities but also to perform better in jobs. It may be proudly recorded that since its inception, our initiatives in this direction have been constantly strengthened. With a vision to keep ourselves in sync with the latest interdisciplinary advancements in the field of research, SKIT ventured into the publication of its in-house research journal, THE SKIT RESEARCH JOURNAL. The values of discipline, integrity of thought, commitment towards achieving goals, accountability for every success and failure and a high sense of contributing to excellence are the essential tenets of SKIT. The recent record of our students placed with several companies of repute asserts our success story. At the beginning of this new academic session, we aspire to keep the same spark alive and reach greater and farther horizons of success.

I wish a very bright future for the faculty and students of SKIT.

Rachna Meel

## MESSAGE FROM THE REGISTRAR

Today, the role of education has spread its domains to not just pursuing academic excellence but also to motivate and empower students to be lifelong learners, critical thinkers, and productive members of an everchanging global society. At SKIT, our approach to learning is student centric- encouraging learning and inculcating a scientific temper and a spirit of free enquiry. The talents, skills, and abilities of each student need to be identified, nurtured, and encouraged so that he / she is able to reach greater heights. Students need to be provided with a platform to think, express, and exhibit their skills. It is necessary to empower them to negotiate several issues that confront them. By converting every individual into a self-reliant and independent citizen, the institute provides an amalgam of scholastic and coscholastic activities. No wonder, a student harnessed in such an atmosphere has every hope and possibility of becoming a responsible, balanced and a mature adult and is able to contribute and to shoulder responsibilities of society. At SKIT, our approaches to learning are child centric, encouraging learning and inculcating a scientific temper and a spirit of free enquiry.

Dr. Ramesh Kumar Pachar

## MESSAGE FROM THE PRINCIPAL

In this era of globalization and liberalization, there are a lot of challenges, but the latest advances in technology and communication have provided a significant impetus to designing and delivering innovative ways of learning. Distance learning and virtual education have proved to be a panacea in converting thousands of hitherto wasted human potential into useful, skillful, employable citizens. At institute level, we are constantly making efforts in order to create opportunities in various fields by incorporating latest specialties of learning, which would cater to the critical needs of the industry and economy. We foresee a close interaction among the universities, industries, business houses and association in modeling the content and skills. We are aware of the needs of our country to make it knowledge based super power in the years to come. With this in view, we have stepped in to meet the present day academic milieu for the student community. I am confident that we as an institute will develop ourselves to grow and fit in the global fabric.

Dr. Ona Ladiwal

## MESSAGE FROM THE HEAD

It's a matter of great pride to welcome you all to Department of Management Studies (DMS), at SKIT that has made significant contributions to the development of management education. Our MBA programme aims at developing future managers well equipped with professional, managerial and business skills in order to make a mark for themselves in the industry. The Department of Management Studies offers an AICTE approved Master of Business Administration (MBA) Degree course affiliated to Rajasthan Technical University, Kota. Besides providing quality education, the Department prepares the students for facing the forthcoming challenges of the corporate world through various effective steps in the campus and through constant interface with industry. The department has a pool of well qualified and experienced core faculty members and also actively involved other outside eminent visiting faculty. From time to time, various seminars, workshops and entrepreneurial activities are organized to provide better learning opportunities to the students. Our special focus is on individual development of each student through "Purposeful Regular Obtainable Measurable Individually focused Success oriented Engagement (PROMISE)". This programme is well designed covering all important aspects of total development of students and spread over all four semester effectively and to be suitably guided and monitored by each Faculty Mentor under Mentor-Mentee Programme. The department has recognized as research center by the RTU, Kota which gives a new area for research and development to the budding researchers. Summer internship to the students occupies top priority of the department, which facilitates the students to learn from real work situations. Similarly, SKIT also provides assistance for effective placement of the students. We, on behalf of DMS, Swami Keshvanand Institute of Technology, Management and Gramothan welcomes all our coming students and assure them for a purposeful learning along with overall focused individual development.

I welcome you to experience this journey of learning with us...

# INITIATIVES

(of the students, by the students, for the students)

The college in its endeavour to promote Extracurricular Activities has got some professional memberships of organizations of repute and runs various clubs in compliance with the norms. The institute has a specially designed a two hour slot in a week for these clubs. There are numerous extra- curricular activities being conducted every week to provide a constructive exposure to our students. There are 21 clubs and the main clubs and professional memberships for these activities are:

## PRAVAH

PRAVAH, the annual Techno- Cultural and Sports festival, is organized since the inception of the institute and signifies the flow of ideas and rebirth of conscience. It has earned the best memories of academic & non-academic excellence of the institute throughout these wonderful and glorious 15 years. Creativity is not a remote or an alien terrain to any human being. It is very much part & parcel of our intuitive faculty. PRAVAH accelerates this creativity of young minds by bringing up their talent and prolificacy with the influence of experienced & intellectual mentors.

## E-CELL

SKIT Entrepreneurship Cell TOPAZ was launched with an aim of fostering the entrepreneurial behavior among the students so that they can be job creators instead of being job seekers. SKIT entrepreneurship cell TOPAZ in association with National Entrepreneurship Network (NEN) organizes a number of workshops, entrepreneur's talk, video lecture series, industrial survey startup internship events and idea generation activities. SKIT entrepreneurship cell TOPAZ is connected with the E cell of more than 600 colleges all across India. TOPAZ won the National Champions Trophy in 2014, 2015 & 2016 by standing first in the entire north region.

## INTELLECTUAL PROPERTY RIGHT (IPR) CELL

Intellectual property (IP) encompasses the expression of ideas, information, and knowledge. IP includes not only discoveries and inventions but also music, literature, and other artistic works, as well as words, phrases, symbols, and designs. An IPR cell is thus established to spread awareness of IPR, patents and related issues among students and faculty members. The IPR cell organizes awareness activities such as quizzes, guest lectures, workshops and faculty development programs.

## THE SKIT TIMES

The creative spark in the young minds finds a befitting expression in the form of words through the SKIT Times. This magazine is a collaborative effort of our students and faculty members. The magazine is mailed to 500 corporate bodies spread across the country, which makes the efforts of our students more visible in the corporate world.

## SKILL DEVELOPMENT CELL

SDC at SKIT is platform to enhance professional competence of students. The cell focuses on training & assessment related to communication, soft-skills & technical skills. The process starts from first year and continues till the end of fourth year.

## SRIJAN-INCUBATION CELL

With a vision to foster a culture of innovation, problem solving and research for the betterment of the society and the nation, Incubation cell was established in the year 2016. It encourages students to develop innovative projects/products to become job givers instead of job seekers through facilitation in opening start-ups.

- 15+ Alumni start-up companies incubated in the last 5 year
- SKIT Management has approved a seed funding of Rs. 7 lakhs for the academic year 2022-2023.
- 4+ Events won/awarded in 2022 (National Winner in AICTE Smart India Hackathon-2022, First Prize at Jaipur District level in Rural Innovation challenge at "Rajasthan Digifest" 2022, Second Position at National Level in Tech-A-Thon, Third Position in AICTE IIC MHRD North Regional Meet 2022 etc.).
- Rs. 45 Lakh funded to the three faculty incubators from Govt. of India MSME New Delhi.
- Five student start-ups offered stage debt funding of Rs 1.25 cr. By Stocknerv Pvt. Ltd.
- IGET innovation lab offered funding of Rs. 1 lakh to one Startups
- In all worth of Rs.1.75 lakh cash prizes were awarded to the winners in Start-up Expo 2023.
- 5+ MOUs & Collaborations with Industry, Academia, and Corporates.

- Course Sponsored funding worth of Rs.7.5 lakhs from CISCO in association with RCAT.
- 75 students have approved a stipend of Rs. 92,000/- from Rajasthan Govt. on IT Day.

## NPTEL AND SWAYAM COURSES

The institute is an active member of NPTEL and Swayam courses with AA ranking. The students and faculty members are encouraged to learn through various courses run by IITs and other prestigious universities.

## THE SKIT RESEARCH JOURNAL

Innovations and research activities are essential for the growth of mankind. Universities and Institutes are the incubators where faculty members motivate, guide and nurture the students to carry out purposeful research. The reputation of any institute in the academic world is judged by the level of research carried out. Our country has enormous problems which need attention by our young minds. They should be made aware of these problems and should develop inquisitiveness. For this noble mission SKIT publishes its own research journal with an ISSN number 2278-2508 & addresses the challenges faced by society at large.

## UNIVERSAL HUMAN VALUES & ETHICS COMMITTEE (UHVEC)

Nurturing students to live with mutual happiness with human beings and mutual prosperity with rest of Nature along with the development of technical and managerial competence. The cell organises/ conducts different events addressing Human Values and Ethics, constitutional obligations; rights, duties and responsibilities of citizens, Code of conduct of institute and society at large. All the days of national and international importance are celebrated.

A self-reflective methodology of teaching facilitates understanding through self-exploration. It opens the space for the student to explore his/her role (value) in all aspects of living – as an individual, as a member of a family, as a part of the society and as an unit in nature. Through this process of self-exploration, students are able to discover the values intrinsic in them.

## SOFT SKILLS

Realizing the mission to move beyond the peripheries of the prescribed curriculum and the vision to strengthen the potential capacities of our students, SKIT runs a significant SOFT SKILLS Programme. The programme has an objective to enhance the basic grooming comprising personality fundamentals and spoken skills. It is subtly layered with the tenets of team building, leadership skills, inter and intra personality dynamics, attitude building, mannerisms and etiquette enhancement and many more. The programme is centered on meeting the expected standards of professional competence. This is the first step in the row of efforts to groom the soft skills of our students and make them industry- ready individuals.

## REGISTERED ALUMNI ASSOCIATION

The institute has a registered Alumni society since July 2004 (<https://alumni.skit.ac.in>) to promote & encourage a continuing interest in and loyalty to the institute.

## ICT-e SLATE

Institute has developed three studios "ICT-eSLATE: Smart Learning and Teaching Environment" furnished with the latest ICT enabled tools to generate quality e-content.

## VALUE ADDITION

The institute have implemented a value-added feature, i.e, ERP for students, parents and staff members. This facility provides an access to student's attendance and performance which the parents also can access online. The student lifecycle module digitizes the process of admission, time-table, attendance, exam & grading.

## LINUX CLUB

Our mission is to provide a platform for individuals to deepen their understanding of Linux through hands-on activities, collaborative learning, and structured courses. We host workshops where experts and experienced members share their knowledge on various Linux topics, from basic command-line usage to advanced system administration.

## GREEN AND ECO-FRIENDLY CAMPUS

The primary objective of initiating the concept of green campus is to lay great emphasis on various practices related to environment and sustainability. This mainly consists of harnessing sustainable energy, water conservation and maintaining greenery. Rainwater harvesting and underground storage system, used water recycling system & renewable energy solar PV system of 900 kW (400 kW roof top and 500 kW ground top) capacity have already been installed which has made our campus total green.

## SOCIAL RESPONSIBILITY

**Blood Donation Camp:** the institute organize blood donation camp every year where many students, faculty and staff donate their blood voluntarily. The institute keep record of prospective blood donors who can contacted immediately if a request for blood is received from any hospital.

**Village Adoption:** The institute has adopted a village near Sanganer, Jaipur. This village is called Dantali. With reference to the adopted village, Dantali, the institute aspires to bring constructive changes in the life of the villagers about educational and social issues. It also instils a feeling of service to society among the students studying in the institute. The programme is executed under the aegis of SKIT NSS Unit. Several other social activities such as village upliftment (Gramothan), CLEANIndia, Swacch Bharat Pakhwada, Nukkad Natak, Education to under-privileged children etc. are also undertaken by N.S.S. wing of the Institute.

# EXTRACURRICULAR @ SKIT

To give students an opportunity to showcase and hone their talents, various club activities are conducted throughout the year in our institute. Club activities not only help students shape their personal interests and hobbies but also improve their leadership quality, and managerial, and social skills. For that, we offer various clubs and students can choose the club depending on his /her interest.

## CLUB OF KNOWLEDGE

The objective of the club is to develop the attitude towards a happy and successful life, know our culture, human values, and social knowledge for overall development.

## CIVIL ENGINEERING TECHNICAL FORUM

The objective of the club is to develop an innovative approach for solutions to civil engineering challenges.

## DANCE CLUB

The objective of the club is to introduce various forms of dance, develop multifaceted physicality through training in dance techniques, and provide an opportunity to better the dancer in students through constant engagement and also through workshops conducted by the club.

## DOCU DRAMA CLUB

Drama for ages has been a quintessential expression of real-life experiences. The club aspires to hone this expression through well-rehearsed performances of classic and contemporary plays.
